

THE DIRECTOR OF  
CENTRAL INTELLIGENCE

National Intelligence Council

1 November 1983

NOTE FOR THE DIRECTOR

SUBJECT: Briefing for Dr. Richard DeLauer,  
Under Secretary of Defense for Research  
& Engineering, of NIE 11-12-83, Prospects  
for Soviet Military Technology and R&D

Yesterday I met with Dick DeLauer and during our discussion, I told him of the status of NIE 11-12-83. He said that it would be extremely helpful in preparing his Posture Statement if he could be briefed on the Estimate during the period 10-16 November rather than waiting until after it had been approved by NFIB.

I request that you authorize me to arrange for DeLauer to be briefed on the Estimate during the period mentioned.
